

## Year 5 Writing Fluency

### Week Beginning 25<sup>th</sup> January 2021: Lessons 1-5

Remember to watch the video that goes with each lesson.

#### Lesson 1 - LO: To learn how to sound out words into syllables.

Sort the words below into 1, 2 or 3 syllables, showing the beats. Then write each word in a sentence.

garden	candle	car
school	balcony	train
basket	telephone	hospital
skateboard	caravan	house

1 syllable	2 syllables	3 syllables

Lesson 2 - LO: To understand how ambiguity works to create different meanings.

***Ambiguity – an expression that can have more than one interpretation.***

Identify the meaning of these headlines from a newspaper and then re-write each sentence so the meaning is clear.

1. Boy ambushed by dustbins.

Meaning: \_\_\_\_\_

Sentence: \_\_\_\_\_

\_\_\_\_\_

2. Teachers to stop bullying in the playground.

Meaning: \_\_\_\_\_

Sentence: \_\_\_\_\_

\_\_\_\_\_

3. Two children suspended over fire.

Meaning: \_\_\_\_\_

Sentence: \_\_\_\_\_

\_\_\_\_\_

### Lesson 3 - To use pronouns.

Up-level the description of a laptop by replacing some of the nouns with an appropriate pronoun.

Laptops are microcomputers. Laptops are portable. Laptops have foldaway screens. Laptops have QWERTY keyboards. Laptops connect to the internet by Wi-Fi connection.

---

---

---

---

---

### Lesson 4: LO To revise homonyms and homophones.

Write 2 sentences to show the meaning of the homophone pairs.

weather/whether

which/witch

their/there

no/know

here/hear

Challenge: Can you think of some other homophone pairs? Write these in the box.

--

Lesson 5 - LO: To learn that, when building on a single syllable word with a vowel before the last consonant, you need to double the last letter.

***When there is a short vowel sound before the last consonant, double the last letter.***

***When there are 2 consonants before the last vowel, you do not double the final consonant.***

Add -ing -er or -ed to each of the words in the grid below. Some of the words can have more than one ending.

	-ing	-er	-ed
win			
write			
sleep			
hope			
meet			
train			
tease			

kick			
swim			
fall			
commit			
transmit			
comprehend			
understand			

# ANSWERS

Lesson 5 - LO: To learn that, when building on a single syllable word with a vowel before the last consonant, you need to double the last letter.
