

Year 5 Writing Fluency

Week Beginning 8th February 2021: Lessons 1-5

Remember to watch the video that goes with each lesson.

Lesson 1 - LO: To learn how to choose and spell the 'shun' suffixes -tion, -sion and -cian correctly.

Add the correct suffix to the words in the table. Then select 3 words to write in a sentence.

magic	confuse	substitute
politics	explode	refract
electric	reduce	collide
transfer	physics	music

-cian	-tion	-sion

Lesson 2 - LO: To identify active and passive verbs.

Re-write the sentences below from active to passive. Remember to add 'was'/'were' before the verb and 'by' after the verb.

1. Last night's aircraft saved the city from attack.

2. On Tuesday, fans mobbed the pop star as she left her hotel.

3. The white-knuckle ride frightened no one.

4. The author considered sport a waste of time.

Lesson 3 - LO: To change passive verbs to active for different effects and purposes.

Re-write the sentences below from passive to active. Remember to remove was...by/were...by and place the agent at the start of the sentence.

1. I was worried by the rain.

2. The kite was made by covering a frame with a skin.

3. We were plunged into darkness by the roller coaster.

4. We all agreed that we were given the time of our lives by 'Spin City'.

Lesson 4: LO: To recognise and make up noun phrases.

Use the substitution table to up-level the sentences below. Write the new sentences underneath the original sentence.

The	small	scrumptious	slowly melting	tomato	pizza

1. The car splashed through the tunnel.

2. The elephant walked through the forest.

3. The girl played at the park.

4. Three cats sat on the fence.

5. In the morning, a parrot landed on the balcony.

Lesson 5 - LO: To revise vowel suffixes.

Remember base words which end in consonants are unchanged when vowel suffixes are added.

Base words drop the final -e or change -y to -i before taking a vowel suffix

Ready Steady Spell!

Fill in the missing suffixes in the passage below with one of the following suffixes: *-ic, -ist, -ary, -ive, -al, -able* or *-ible*.
